A New Year with FEEFHS

Dear Members and Friends,

As we reflect on 2024, we hope that you enjoyed shared discoveries and connections that have enriched your genealogical journey over the past months. Your enthusiasm for uncovering the stories of your East European heritage continues to inspire our work, and we look forward to more progress in the coming year.

In this season of reflection and renewal, let's celebrate the milestones we've reached in our research, and think of the ways we can learn more about our ancestors in 2025. Every year more records are released, more records are digitized, and more people take DNA tests that might lead you to new connections and new clues about your past.

Thank you for your support of FEEFHS. Our conference will be virtual in 2025, so you will be able to learn from our speakers without having to go to Salt Lake City. We are working on the best lineup yet -- watch for more details, coming soon.

Together, we will continue to uncover the stories that unite us and celebrate the legacy of those who came before us.

We hope this season will bring you joy, fulfillment, and success in all aspects of your genealogical pursuits. In the meantime, we hope you have a joyful and prosperous year.

With warm wishes,

Milan Pohontsch, President

The Foundation for East European Family History Studies (FEEFHS)
